Your Swiss Insurer

The policy for lovers of classic cars and motorcycles.

Do you also think that classic does not mean worn?

Your classic vehicle is a precious possession that deserves all your attention. However, such dedication is useless if you don't feel safe when driving it.

We know the importance of classic cars and motorcycles for vintage car enthusiasts. If you have a car or motorcycle which is over 25 years old only used at parades and gatherings, we offer you an insurance policy designed to protect you and your vehicle with the utmost protection.

Preserve your passion, while retaining high standards of protection through compulsory and voluntary Civil Liability, Defence and Damage Claim covers. In addition,

you can increase your security level with optional Travel Assistance.

Advantages

1. Discounts for collectors.

Helvetia Seguros **honours** your passion for collecting classic vehicles. For this reason, you will be able to obtain discounts after the third vehicle.

2. Prices are fixed.

Purchase your insurance policy for much less than you think and with fixed prices, starting at **50 euros** for classic passenger cars and vans and at **40 euros** for historical motorcycles and mopeds.

3. For all your classic vehicles.

We not only offer you the possibility of purchasing classic car or motorcycle insurance. If you own a vintage van or moped of similar characteristics, this is also the right choice for you.

4. Maximum discount at the moment of contracting.

In view of the special care and attention given to your classic vehicle as well as its sporadic use, we will **not take into account your claim history** when contracting your policy, thus providing you with the maximum possible discount.
